STUDENT ACCIDENT INSURANCE

Each year we offer a Student Accident Insurance policy to Maddux School students through The Ivymount Corporation.

The policy covers students when they are participating in an activity sponsored by the school and such participation is on the premises of the school and under the direct supervision of a staff member. It also includes traveling in a group in connection with school activities, such as a field trip.

Because our enrollment is relatively small in comparison with public schools, our insurance company will only grant individual policies if we have 100% coverage. Therefore, all children must participate.

The cost of this insurance is \$35.00 for each child. Please make your check payable to *The Maddux School* and return with this signed form.
